

## Reporting of COVID-19 Cases

Compulsory Reporting for Students of TU Graz

Every student at TU Graz who has contracted COVID-19, must inform the central reporting office of TU Graz immediately via the email address ([coro-nameldung@tugraz.at](mailto:coro-nameldung@tugraz.at)) and has to send the positive PCR-Test alongside.

The reporting office “VRL” of the Vice Rector for Academic Affairs determines whether the person reporting is actually student of TU Graz, finds out in which courses/exams they have participated in the last 48 hours before symptoms occurred, respectively in which learning areas, libraries and drawing studios they were present (using the Reporting form).

The reporting office “VRL” of the Vice Rector for Academic Affairs informs the persons holding the relevant courses about the positive case in their courses/exams.

The central reporting office documents anonymously all suspected and confirmed cases via the online reporting system of the Federal Ministry of Education, Science and Research.

### Official Procedures

People with proven contraction of COVID-19 underlie compulsory isolation and/or movement restrictions. Further information will be given to you by the district administration after a positive PCR test result.

### Procedure at TU Graz

People contracted with COVID-19 generally stay away from TU Graz. Employees work from home, if possible; Students are not allowed to participate in courses and exams on-site, teaching staff do not conduct courses and exams on-site.
