Global climate hackathon,
now also in Vienna

24 hours non-stop

19-20 October 2018 in Austria!

Coming to Vienna and Graz, Austria

More than 100 cities around the world

Find solutions to city's climate change challenges

Mehr hier: www.climathon.climate-kic.org/

Climathon

Global climate hackathon,
now also in Vienna and Graz

- An intercontinental **24-hour hackathon**-style event to find innovative, city-level **solutions to climate change**
- The 24-hour Climathon will take place simultaneously in major cities **across 5 continents** around the world in October 2018.
- Citizens around the world take **direct climate action** in their own cities by coming up with innovative solutions to local climate change challenges

Thank you! Open for discussion
