Abstract submission

The screenshot shows the THERMEC'2016 abstract submission website. At the top, there is a navigation bar with the event logo, the text "THERMEC'2016 May 29 - June 3, 2016 GRAZ, AUSTRIA", and a "Please log in! [login]" link with German and UK flags. A "CATS 2.1" version indicator is also present. Below the navigation bar is a "To-Do List" section with a red arrow pointing to the "Create a new Account" link. Other links in the list include "Password lost". Below the list is a login form with fields for "Username" and "Password", and a "Log in" button. At the bottom right of the page is the "Cerebra" logo.

Attention:

For data collection and then conference registration **it is strongly recommended that only presenting authors create an account and submit their abstracts!**
