# On Shape and Order

an unexpected beauty in daily life

©Kuan-Ying Wu, Shen-Guan Shih

This lecture will present the unexpected beauty that emerges from simple shapes and order(s) that we encounter in daily life. We will share concepts and techniques that may help designers to exploit such beauty. Topics of the discussion are as following:

- The variable and the invariable of shapes
- Symmetry and asymmetry
- Applications in the built environment

Shen-Guan Shih, Yu-Chieh Lin, Shiang-I Juan and Lucky Tsaih from the Department of Architecture at the National Taiwan University of Science and Technology will present this inspiring lecture.
