# CONTEMPORARY ART INSTALLATIONS

**151.813 Raumkunst VO WS 2019/20 Nayari Castillo-Rutz**

There is a discipline that exist in the intersection between contemporary art and architecture, a knowledge niche where space, it uses, and all concepts attached to it are fundamental. That incredible realm it is called "Installation". We invite you to take part on a journey to discover this zone of encounter, a place to understand "space" as raw material. We invite you to dissect contemporary art installation and dialogue with those who think about and create it.
