MERIT SCHOLARSHIP for the academic year 2018/19 in the Faculty of Computer Science and Biomedical Engineering

According to § 57 Studienförderungsgesetz (StudFG) study grant act, merit scholarships exist to award outstanding degree work. Students with Austrian citizenship, those who are considered equivalent to Austrian citizens, and stateless persons according to § 4 StudFG can be awarded a scholarship.

A merit scholarship cannot be less than € 750 and cannot be more than € 1,500. According to § 61 (3) StudFG, the university body responsible for study matters awards the grant.

There is no entitlement to a grant.

A | Requirements according to § 60 StudFG

1. Compliance with entitlement period of the relevant stage of a degree programme according to § 18 (this is the legally defined period of study plus one additional semester), taking into account possible important reasons stipulated in § 19 (e.g. pregnancy, military service. etc.)
2. Average grade of the examinations, courses and academic papers referred to for the assessment cannot be lower than 2.0.*) and a minimum of at least 50 ECTS-Credits.
3. Compliance with the submission requirements: Submission of transcript (from 01.10.2018 to 30.09.2019) and the documents referred to in section B.

   *) minimum requirement to be taken into account in selection process.

B | The applicant must also submit

1. Data sheet: Please fill in the data sheet and hand it printed and signed to the Dekanat to Ursula Birkner.
2. Other activities are to be listed separately, e.g. author/co-author of academic publications, student assistant, posters, lectures held, prizes.
   Please fill in this information at the data sheet (under the item "message").
3. Submission deadline: 8.11.2019
