

Recent Developments in Hydrogen Research

Place: TU Graz, Schumpeter Laboratory for Innovation, Inffeldgasse 11/III, 8010 Graz, Austria
Date: Friday, 17 May 2024

- 08:00 REGISTRATION
- 08:30 **Welcome**
Vice Rector Prof. Michael Monsberger, TU Graz, Austria
- 08:45 **Hydrogen Research at TU Graz**
Prof. Viktor Hacker, TU Graz, Austria
- 09:15 **Simulation & Diagnosis of Fuel Cells: from Basic Research to Industrial Application**
Dr. Peter Prenninger, AVL List GmbH, Graz, Austria
- 09:45 **Hydrogen Fuel Cells at BMW**
Dr. Markus Perchthaler, BMW, Munich, Germany
- 10:15 BREAK
- 11:00 **Next Generation HPEM Electrode Assembly for Heavy Duty Vehicles**
Dr. Christos Chochos, Advent Technologies, Patras, Greece
- 11:30 **Hydrogen Valleys and Decarbonization: The North Adriatic Hydrogen Valley**
Prof. Rodolfo Taccani, University of Trieste, Italy
- 12:00 **Expert Panel: Hydrogen - Thresholds to Overcome**
Moderated by Prof. Merit Bodner and Prof. Viktor Hacker
- 13:00 **Networking Buffet**
- 14:00 END

Registration: brigitte.hammer@tugraz.at

Brigitte Hammer, Bakk.
Institute of Chemical Engineering and Environmental Technology
TU Graz, Austria
