

## Directions to CGV

### From the airport Thalerhof Graz (GRZ):

The fastest and most convenient way to reach us is by taxi.

Public transportation:

- The bus stop is directly in front of the arrival area of the airport.
  - Exit at stop "Jakominiplatz"
  - Change to tram line 6 in the direction of St. Peter
  - Exit at stop "Schulzentrum"
- For further description see "From Graz Central Station."

### From the highway (A2):

- Exit Graz-Ost, Zentrum / Münzgrabenstraße
- Turn right at the exit into the Münzgrabenstraße
- Follow Münzgrabenstraße
- After 1 km turn right into Sandgasse - immediately after a service station
- After a (first) speed barrier (~ 300 m) turn right into the campus
- Press the button at the barrier to register with the gate keeper and enter the campus.
- Turn left before the gray office building and follow the path to the parking area in front of the second building.

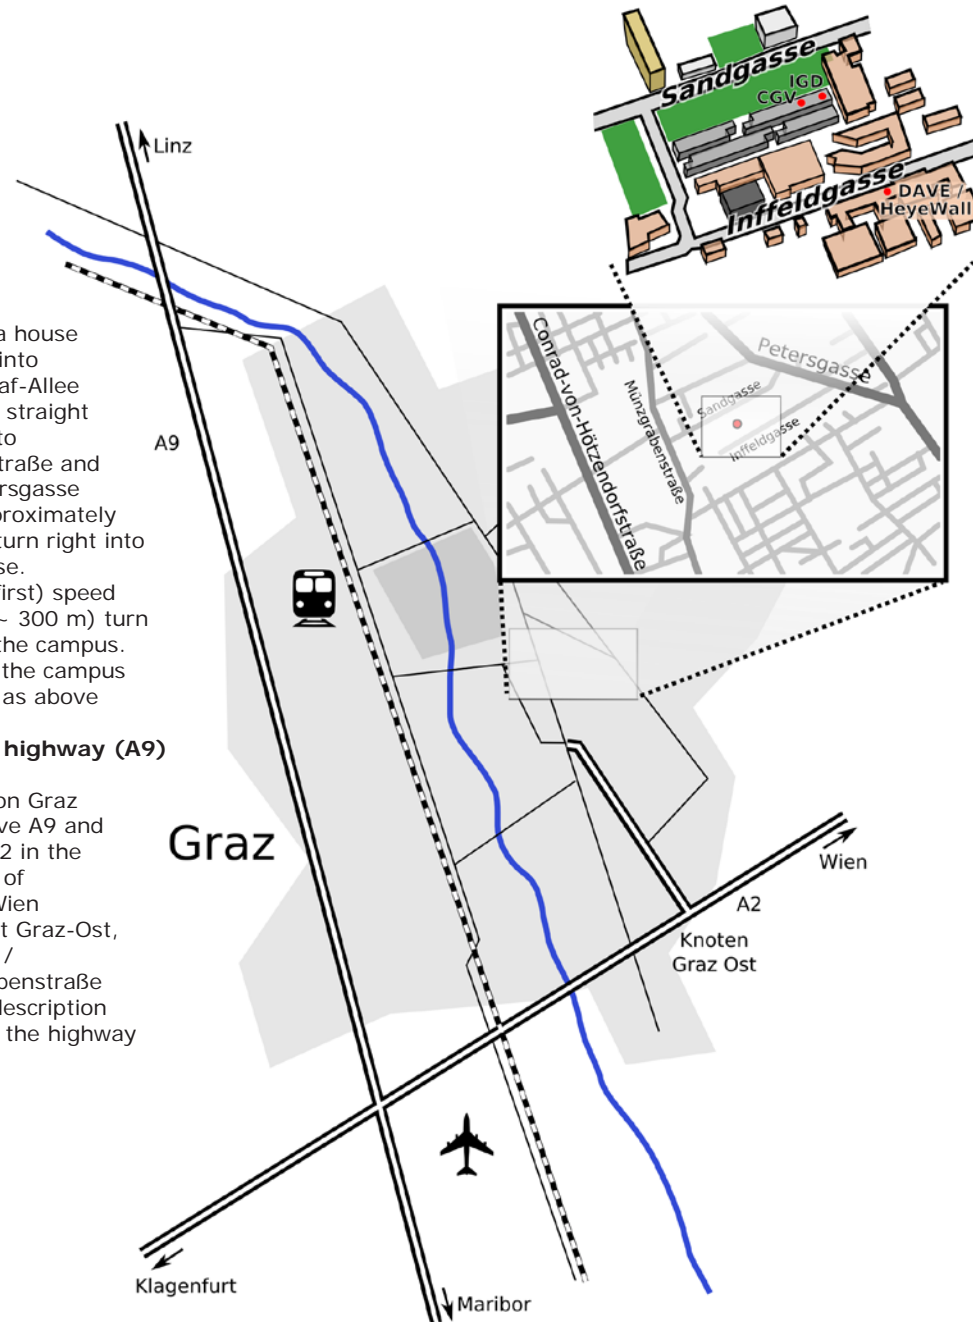

### From the highway (A9):

- Exit the highway A9 at junction Gratkorn-Süd to Graz Andritz onto parkway B67 and continue for about 4 km.
- Continue straight into Grabenstraße, which becomes Parkring first and then Glacis Str.
- Turn right into Wilhelm-Fischer-Allee
- Go straight into Burgring and continue into Opernring

- Before the opera house turn left into Franz-Graf-Allee
- Continue straight ahead into Mandellstraße and into Petersgasse
- After approximately 1.5 km, turn right into Sandgasse.
- After a (first) speed barrier (~ 300 m) turn left into the campus.
- To enter the campus continue as above

### From the highway (A9) via (A2):

- At junction Graz West leave A9 and turn to A2 in the direction of Vienna/Wien
- Exit A2 at Graz-Ost, Zentrum / Münzgrabenstraße
- Further description see from the highway (A2)

### From Graz Central Station:

- Take the tram line 6
- Exit at stop "Schulzentrum"
- On the opposite side of the bus station turn into Inffeldgasse and continue on the right side of the street
- After the "Studienzentrum" on the right side follow the sign "Zu den Häusern Inffeldgasse 16-16c"
- Continue for about 100 m to a 2-story concrete building (building No. 16b)
- Cross the house 16b to reach building 16c
