

Space-Time Interest Points

Source: NASA

Source: STIPs [Laptev IJCV'05]

<http://breckon.eu/toby/demos/videovolumes/>

Related literature:

- Scale-Space Theory [Lindeberg Springer'94]
- Space-Time Interest Points [Laptev IJCV'05]
- A spatio-temporal descriptor based on 3d-gradients [Klaser BMVA'08]

Goals:

- Implement STIP and descriptors around interest points
- Experiment with STIPs and different descriptors on human action datasets
