

Wolfgang E. Ernst

Teaching

At Freie Universität Berlin

1979-1983	laboratory and recitation courses in <i>Experimental Physics</i>
1983-1989 (i.e. after Habilitation)	lecture courses in <i>Experimental Physics 2</i> , <i>Laser Spectroscopy</i> , <i>Molecular Physics</i> , <i>Optical Spectroscopy</i>

At Penn State University

1990-2001	<i>Physics 1</i>	for physics students	
		for honors students	
		for other science and engineering students	
	<i>Physics 2</i>	for physics students	
		for honors students	
		for other science and engineering students	
		<i>Introduction to Quantum Physics</i>	for undergraduates
		<i>Quantum Physics 2</i>	for undergraduates
		<i>Atomic Physics</i>	for undergraduates
	<i>Advanced Laboratory Course</i>	for undergraduates	
	<i>Atomic and Molecular Physics</i>	for graduate students	

At Graz University of Technology

Since 2002	<i>Experimental Physics 1</i>	for physics students
		for chemistry students
		for other science and engineering majors
	<i>Experimental Physics 2</i>	for physics students
		for chemistry students
		for other science and engineering majors
	<i>Atomic, Nuclear, and Particle Physics</i>	for second year physics and other science undergraduate students
	<i>Atomic and Molecular Physics</i>	for physics master students
	<i>Atomic and Molecular Beams</i>	for physics master students
