

Information Event

Friday, 19. 01. 2024

09:00 – 12:00

Inffeldgasse 12/HS i2

The “Silicon Valley” of Austria

The semiconductor industry introduces itself!

12:00 – 13:30
(Foyer HS i2)
Networking with
experts from the
semiconductor
industry

You are interested in:

- How the **semiconductor industry** contributes to **solving the problems of mankind**
- Applications in which **ICs from Austria** are used
- Jobs and career opportunities** in **microelectronics**
- Opportunities to **study microelectronics and IC design**
- Future perspectives** in the semiconductor industry
- Summer jobs/internships**
- Bachelor-/Master-/PhD-programs**
- Getting to know the surrounding companies

Invited semiconductor companies:

- ams-OSRAM AG
- Analog Devices GmbH
- Apple Inc.
- Broadcom Inc.
- CISC Semiconductor GmbH
- Infineon Technologies Austria AG
- Intel Austria GmbH
- MaxLinear Austria GmbH
- NXP Semiconductors Austria GmbH & Co KG
- Pantronics AG
- Qualcomm Austria RFFE GmbH
- Renesas Electronics GmbH
- Robert Bosch GmbH
- SteadySense GmbH
- STMicroelectronics Austria GmbH
- USound GmbH
- VISHAY Semiconductor (Austria) GesmbH
- ...
