# Join us. We help you think, act and grow big.

Build a business around your green idea. The future is green. To get there we need massive amounts of green innovations and ideas that are put into action.

Our motto is: **'Fixing climate change, one start-up at a time.'**

Join us. We are here to get you started. So you can massively contribute to tackling climate change.

Train. Compete. Launch. Your idea can be a mind shift in urban mobility, a revolution in the food chain. A breakthrough in energy production or efficiency. A radical rethink of waste management or any other idea that helps fix climate change. Even if your idea is still on the back of a napkin, you are welcome to join.

Simply fill out the online application form on our website and jump on this rousing ride on your way to global impact.

2-day Boot Camp with the planet's best trainers.

3 intense coaching days. Validate your business model with customers and perfect your pitch.
