Regulation for exams (valid from October 8th, 2019)

Evaluation and assessment scheme

Valid for:

- 372.235 Unternehmensführung und Organisation, Lecture (German)
- 372.247 General Management and Organisation, Lecture (English)
- 372.215 Projektmanagement, Lecture (German)
- CHE.865UF Project Management, Lecture/Practical (English)
- 372.250 Prozessmanagement, Vorlesung (German)

The exam consists of 2 parts:

- Multiple choice questions (part 1):
Only completely correct answers will be considered as correct. Questions that are only partially correct will not be scored.
- Open questions (part 2):
The answers to the questions must be comprehensibly argued and explained. The quantity of the answers does not lead to a gain of points; the quality of the answers to the questions is of primary importance.

Each part of the exam must be assessed at least 50% positive in order to complete the exam with a positive grade. It is not possible to credit parts that have been passed positively to the next exam.

The written examination will be assessed within four weeks. An inspection will take place shortly after the announcement of the written results.

Valid for:

- all exams at the Institute

There will be no additional oral exams to improve the grade of the written exam.
