

SCHOLARSHIP GRANT for the calendar year 2019 Faculty of Mathematics, Physics and Geodesy

According to § 63 Studienförderungsgesetz (StudFG), scholarship grants exist to support degree programme students working on scientific thesis or artistic thesis (diploma thesis, master's thesis, PhD thesis).

A scholarship grant for one academic year may not be below € 750,00 and may not exceed € 3.600,00.

According to § 67 (2) StudFG, the scholarship grant will be awarded by the university body responsible for study law matters.

There is no legal entitlement to the grant.

In the case of an award, according to § 67 (3) StudFG, a report on the proper use of the scholarship must be submitted to the responsible Dean of Studies after completion of the funded thesis.

A) Requirements according to § 66 StudFG for the award are:

1. The applicant is an Austrian citizen or is considered as equivalent to Austrian citizens according to § 4 StudFG.
2. An application by the student for a scholarship grant for the performance of the unfinished thesis, including a description of the thesis, a statement of costs and a financing plan.
3. The submission of at least one report by a TU Graz faculty member with habilitation on the statement of costs and whether the student is likely to be able to complete the thesis with above-average success on the basis of his/her previous academic achievements and his/her suggestions for the thesis.
4. Compliance with the entitlement period (§ 18 StudFG) of the relevant period of study (this is the legally defined period plus one additional semester), taking into account any important reasons (§ 19 StudFG) e.g. pregnancy, military service, etc.
5. The compliance with the submission requirements: Submission of the formal documents referred to in section A) and B).

B) The applicant must also submit:

1. [Data sheet](#) (for master's and PhD students).
2. Transcript of records for the period from 01.03.2018 to 28.02.2019 for the 1st submission deadline and for the period from 01.03.2019 to 30.09.2019 for the 2nd submission deadline.
3. Confirmation of other activities (e.g. student assistant, posters, author, ...).

Submission deadlines

Date 1: 11.07.2019, 12 o'clock

Date 2: 10.10.2019, 12 o'clock

If you have any questions or require further information, please contact the Dean's Office of the Faculty of Mathematics, Physics and Geodesy.
