

SCHOLARSHIP GRANT

for the calendar year 2021 at the

Faculty of Computer Science and Biomedical

Engineering

This call is addressed to students of the fields of master-study Biomedical Engineering, Computer Science, Software Engineering and Management, Information and Computer Engineering and Teacher Training Program, as well as from Doctoral Schools Informatik und Biomedical Engineering.

According to § 63 Studienförderungsgesetz (StudFG) study grant act, scholarship grants exist to support degree program students working on academic theses or artistic work (diploma thesis, master's thesis, doctoral thesis)

A scholarship grant for one academic year cannot be less than € 750 and cannot be more than € 3,600. According to § 67 (2) StudFG, the university body responsible for study matters awards the grant.

There is no entitlement to a grant.

A | Requirements according to § 66 StudFG

1. The applicant has Austrian citizenship or is considered as equivalent to Austrian citizens according to § 4 StudFG.
2. An application written by the student for a scholarship grant to undertake a thesis that has not yet been completed, which includes a description of the thesis, a specification of costs and a financing plan.
3. Submission of at least one letter of recommendation from a habilitated university teacher on the specification of costs and whether the student's previous work and the suggestions regarding the thesis show that they are likely to be capable of writing a thesis of a particularly high standard.
4. Compliance with entitlement period of the relevant stage of a degree programme according to § 18 (this is the legally defined period of study plus one additional semester), taking into account possible important reasons stipulated in § 19 (e.g. pregnancy, military service. etc.)
5. Compliance with the submission requirements: documents as described in sections A and B.

B | The applicant must also submit

1. Fill in the request online:
<https://survey.tugraz.at/index.php/877535?lang=en>
2. Other activities are to be listed separately, e.g. author/co-author of academic publications, student assistant, posters, lectures held, prizes.
3. Submission dates:
1st submission deadline: 08.07.2021
2nd submission deadline: 28.10.2021

C | In case a grant is awarded

1. The scholarship grant must be used appropriately according to StudFG, which means that a report on the statement of costs is to be submitted to stipendien.csbme@tugraz.at .
2. Please inform us about the graduation date of your study.

OVERLAPSE OF ELIGIBILITY: In the event that a scholarship is awarded and the period of entitlement is exceeded pursuant to § 18 StudFG, the amount paid out can be reclaimed pursuant to § 51 StudFG.

If you have any questions, please contact stipendien.csbme@tugraz.at
