

MERIT SCHOLARSHIP for the academic year 2021/22

According to § 57 Studienförderungsgesetz (StudFG), merit scholarships serve the recognition of excellent academic achievements. **Austrian citizens or equivalent foreigners and stateless persons can be supported according to § 4 StudFG.**

A merit scholarship may not be below € 750.00 and may not exceed € 1,500.00.

According to § 61 (3) StudFG, the scholarship will be awarded by the university body responsible for study law matters and depends on the number of scholarship applicants.

There is no legal entitlement to the grant.

NAWI Graz students can only apply for a merit scholarship at their home University.

A) Requirements according to § 60 StudFG

1. Compliance with the entitlement period (§ 18 StudFG) of the relevant period of study (this is the legally defined period of study plus one additional semester), taking into account any important reasons (§ 19 StudFG) e.g. pregnancy, military service, etc.
2. A grade point average of at most 2.0 for all examinations, courses and thesis (minimum requirement for the consideration of the selection process).
3. Compliance with the submission requirements as referred to in section A) and B).

B) Further tender conditions

1. Data sheet (to be completed online and submitted as a signed PDF).
2. Transcript(s) of records for the period 01.10.2021 to 30.09.2022 (for NAWI Graz studies per University).
3. Confirmation of any other activities (e.g. student assistant, papers written ...).
4. **Submission deadline: 02.11.2022, 12 o'clock** (applications received later will not be considered).

The required documents should either be sent by e-mail (geodaesie.mpug@tugraz.at, materialsscience.mpug@tugraz.at, mathematik.mpug@tugraz.at, physik.mpug@tugraz.at) or posted in the mailbox "5001 Dekanat Mathematik, Physik und Geodäsie", Foyer, Petersgasse 16, ground floor.
