

SCHOLARSHIP GRANT for the calendar year 2022

According to § 63 Studienförderungsgesetz (StudFG) study grant act, scholarship grants exist to support degree programme students working on academic theses or artistic work (diploma thesis, master's thesis, doctoral thesis).

A scholarship grant for one academic year cannot be less than € 750 and cannot be more than € 3,600. According to § 67 (2) StudFG, the university body responsible for study matters awards the grant. There is no entitlement to a grant. In the case of an award, according to the study grant act, a report on the intended use of the scholarship grant must be submitted to the responsible dean of studies.

A Requirements according to § 66 StudFG

1. An application written by the student for a scholarship grant to undertake a thesis that has not yet been completed, which includes a description of the thesis, a specification of costs and a financing plan.
2. Submission of at least one letter of recommendation from a habilitated university teacher on the specification of costs and whether the student's previous work and the suggestions regarding the thesis show that they are likely to be capable of writing a thesis of a particularly high standard.
3. Compliance with entitlement period of the relevant stage of a degree programme according to § 18 StudFG (this is the legally defined period of study plus one additional semester), taking into account possible important reasons stipulated in § 19 StudFg (e.g. pregnancy, military service. etc.)
4. Compliance with the submission requirements.

The application is made via the [online form](#).

Submission dates:

1st submission deadline: 15.07.2022

2nd submission deadline: 28.10.2022.

If you have any questions, please contact the Dean's Office for Technical Chemistry, Chemical and Process Engineering, Biotechnology (studien.tcvb@tugraz.at).
