

## SCHOLARSHIP GRANT for the academic year 2022/23

According to § 63 Studienförderungsgesetz (StudFG), scholarship grants exist to support degree programme students working on scientific thesis or artistic thesis (master's thesis, PhD thesis). **Austrian citizens or equivalent foreigners and stateless persons can be supported according to § 2-4 StudFG.**

A scholarship grant for one academic year may not be below € 750,00 and may not exceed € 3.600,00.

According to § 67 (2) StudFG, the scholarship grant will be awarded by the university body responsible for study law matters.

There is no legal entitlement to the grant.

### A) Requirements according to § 66 StudFG

1. An application by the student for a scholarship grant for the performance of the unfinished thesis, including a description of the thesis, a statement of costs and a financing plan.
2. The submission of at least one report by the supervisor of the scientific thesis or artistic thesis on the statement of costs and whether the student is likely to be able to complete the thesis with above-average success on the basis of his\*her previous academic achievements and his\*her suggestions for the thesis.
3. Compliance with the entitlement period (§ 18 StudFG) of the relevant period of study (this is the legally defined period plus one additional semester), taking into account any important reasons (§ 19 StudFG) e.g. pregnancy, military service, etc.
4. The compliance with the submission requirements as referred to in section A) and B)

### B) Further tender conditions

1. The application is to be completed online and the required enclosures must be uploaded.
2. Transcript(s) of records for the period 01.03.2022 to 28.02.2023 for the 1<sup>st</sup> submission deadline and for the period 01.10.2022 to 30.09.2023 for the 2<sup>nd</sup> submission deadline are to be uploaded when filling the application.
3. Confirmation of any other activities (e.g. student assistant, confirmation of authored papers ...) must also be uploaded.
4. Submission deadlines (applications received later or incomplete applications will not be considered)  
1<sup>st</sup> submission deadline: 27.07.2023, 12:00 o'clock  
2<sup>nd</sup> submission deadline: 02.11.2023, 12:00 o'clock

### C) In the event that the scholarship is granted

according to § 67 (3) StudFG, a report on the proper use of the scholarship must be submitted to the responsible Dean of Studies after completion of the funded thesis.
