

The graduates of the following bachelor's degree programmes can directly apply for a study place <https://www.tugraz.at/en/studying-and-teaching/studying-at-tu-graz/prospective-students/registration-and-admission/overview-registration-and-admission> .

All other graduates have to participate in the admission procedure <https://www.tugraz.at/en/studying-and-teaching/studying-at-tu-graz/prospective-students/registration-and-admission/admission-procedure/overview-admission-procedure>

Please note that, depending on the programme completed by a candidate, admission for certain Master studies is not possible and that in some cases additional courses (Auflagen) may be defined either before the beginning of the regular studies or within the regular studies. The additional courses are defined by the Dean of Studies individually for each candidate.

Country	Name of University	Study Programme
Austria	Johannes Kepler University Linz	Medical Engineering
