## Vineyard in southern Styria

This excursion will bring us to a vineyard in the beautiful scenery of the “Styrian Tuscany”. We will have time to walk around the area and enjoy a guided tour through the cellars of the “[Weingut Georgiberg](#)” with subsequent wine-tasting accompanied by some culinary treats from southern Styria. Please sign up for the trip during the registration procedure since there is a limited number of participants (might be good to register early enough).

## Tasting tour through the Chocolate Theater “Zotter”

During this visit of the Chocolate Theatre you will see how chocolate is created live. You can look inside the production line of the world famous [Zotter manufactory](#) and at the same time check out the tasting stations at different levels from cocoa bean to the final chocolate product, *from bean to bar*. The full chocolate experience! Please sign up for the trip during the registration procedure since there is a limited number of participants (might be advisable to register early enough).
