

My name is Lireta Gashi and I am 18 years old. I was born in the capital city of Kosovo called Prishtina. My entire family is from there. My mother and I spend the first two and a half years of my life there and later we decided to reunite with my father and to move to Graz. I now have two siblings, a little brother and a little sister. I like to play the guitar, to read and recently I started painting. Currently I am visiting a Highschool named BG/BRG Lichtenfels and next year I will be graduating.
