

Nicki Lisa Cole, PhD is an American sociologist with expertise in consumer culture and global supply chains, with a particular focus on the production and consumption of electronics, sustainable and ethical production and consumption, and fair trade systems. She has worked at universities and research organisations in California, England and Austria. Nicki's focus while a Fellow at IAS-STS is on publication and funding acquisition.

Nicki was a researcher at the University of York (England) in the Department of Social Policy and Social Work and at the Stockholm-Environment Institute-York from 2017–2018 and before that was a funded Research Fellow for two years at IAS-STS. Before moving to Europe, Nicki was a Visiting Assistant Professor in the Department of Sociology at Pomona College in Claremont, California. She completed a PhD in sociology at the University of California-Santa Barbara in 2011.

Nicki's research has been published in *Race, Gender & Class, Contexts*, and in the edited volume, *Consumer Culture, Modernity and Identity*. Her writing on Apple, Inc. has appeared in *Truthout, CounterPunch, Sociological Images*, and in the edited volumes *Media Education for a Digital Education*, and *Censored 2014: Fearless Speech in Fateful Times*.

A committed public sociologist, Nicki is a member of Good Electronics research network and a supporter of Electronics Watch, Students and Scholars Against Corporate Misbehaviour (SACOM) and China Labor Watch.
