

Carolina Schantl studies environmental economics at the Karl-Franzens-Universität in Graz. Due to her bachelor degree Carolina joined the „Carbon Diet“-Team as an assistant. Before Carolina worked for the FH Joanneum as a student employee and was able to gain a lot of experience in the field of business in various internships at home and abroad.

In addition to Carolina Schantl´s interest in sustainability, factors such as environmental protection, climate change and how these should be integrated into a modern company are very exciting and topical for her.
