Please contact the conference organizers for individual requests or questions.

- 1) The exhibition is located in the main conference area, near the lunch area and the large conference rooms. The exhibition areas are equipped with tables, chairs, power outlets and Wi-Fi at each stand. All stands have a depth of approx. 2 meters.
- 2) There will be an opportunity to demonstrate your technologies during some of the technical tours on September 5, 2025. Please contact the conference organizer for details of the planned technical tours.
