Project description

Planned Partners

- Describe research and innovation of your project in relation to the scope of the call
- How does the project achieve the expected outcomes and impacts specified in the work programme?
- Explain how your project idea addresses the specific challenges of the call

Applicant / Signature

I am aware that I have to forward a proof of proposal submission (HEU portal) to F&T-Haus and to inform about the stage of acceptance. (Evaluation Summary Report). I am also aware of the fact that the money has to be paid back in case no proposal could be submitted at the planned call.
