### 2. Details on research project

Title:    Acronym (if applicable):
--

Field of Expertise (please choose) <ul style="list-style-type: none"> <li><input type="checkbox"/> Advanced Materials Science</li> <li><input type="checkbox"/> Human- &amp; Biotechnology</li> <li><input type="checkbox"/> Information, Communication &amp; Computing</li> <li><input type="checkbox"/> Mobility &amp; Production</li> <li><input type="checkbox"/> Sustainable Systems</li> </ul>
--

<sup>1</sup> h-Index of each key researcher according to google scholar. h-Indices from other sources may also be included.

## **2.1 Abstract**

## **2.2 Relevance for the TU Graz and for the particular Field of Expertise**

## **2.3 Description of the position of your research project within the Austrian academic scientific landscape (Unique selling proposition)**

### 3. Appendices and Signatures

The following appendices are attached to the funding application:

- 1.) Description of the content of the lead project (max. 10 pages): It is clearly defined and within an internationally recognized and visible field of research. The project description includes:
  - a.) the issues that are addressed,
  - b.) methodological approach,
  - c.) project objectives,
  - d.) state-of-the-art of science and technology, both internationally and at the TU Graz.
- 2.) A list of the 10 most important third party funded projects and/or contract research projects of the consortium with  $\geq 100.000$  € for TU Graz (within the last 5 years)
- 3.) A list of the 10 most important publications of the consortium within the last 5 years
- 4.) A list of 10 most important patents of the consortium (if applicable) within the last 5 years

I certify with my signature that the information provided is accurate and complete. I am aware of the fact that the granted funds will have to be refunded if granted under false pretences.
