COVID-19 update Austria: Further re-opening measures as of June 10th

Update 10.06.2021

Below you will find an overview of all regulations that currently apply in all Austrian federal provinces unless increased COVID-19 cases are reported in individual regions. Then regional measures will be taken.

These regulations are still valid:
Wearing a FFP2 mask is compulsory in all public indoor places, during events (e.g. funerals), in public transport, carpooling, ski lifts, shops and at indoor markets.

Access tests
For attending certain locations, it is obligatory to have a negative COVID-19 test result. Validity periods vary depending on the type of test:

Test validity of:
- Self-test with digital solution: 24h (more information in German)
- Antigen test: 48h
- PCR test: 72h

Test exceptions for recovered and vaccinated individuals:
- Individuals who were infected with Sars-Cov-2 and recovered are exempt from testing for six months.
- Vaccinated people will also be exempt from mandatory testing:
  - The first vaccination is valid from the 22nd day after the 1st sting for a maximum of 3 months from the date of vaccination.
  - The 2nd sting extends the validity period by a further 6 months (thus a total of 9 months from the 1st sting).
  - Vaccines where only one vaccination is scheduled (e.g. from Johnson & Johnson) are valid from the 22nd day after vaccination for a total of 9 months from the date of vaccination.
  - For already recovered persons who have been vaccinated once so far, the vaccination is valid for 9 months from the date of vaccination.

Stores & service providers
All stores and service providers are open again. In stores customers must wear FFP2 mask. Only one person is allowed in a store on 10 square meters.

Body-related services (e.g. hairdressing) are open again but customers need to have a negative PCR, antigen test or self-test with digital solution. The test must be shown on demand.

Gastronomy & hotels
You need to wear a FFP2 mask, provide an access test (see test validity mentioned above) and have a registration obligation. Closing time is at midnight.

A group of guests may include a maximum of 8 adults (+ associated children) indoors and outdoors max. 16 persons. A minimum distance of 1 meter must be observed between tables.

Cultural scene, events & sports
You need to wear a FFP2 mask, provide an access test (see test validity mentioned above) and have a registration obligation. It is necessary to keep the 1 meter minimum distance.
Entry Regulations
As of June 10, persons with 3-G evidence (recovered, tested or vaccinated) entering from countries with stable infection (see below) will no longer be required to complete the Pre-Travel Clearance in advance.

Stable countries are Andorra, Australia, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Principality of Liechtenstein, Greece, Hungary, Iceland, Ireland, Israel, Italy, Latvia, Lithuania, Luxembourg, Malta, Monaco, Netherlands, New Zealand, Norway, Poland, Portugal, Romania, San Marino, Singapore, Slovakia, Slovenia, Spain, South Korea, Sweden, Switzerland and Vatican (June 10).

Please check the website of OeAD for a summary of the current entry regulations: https://oead.at/en/to-austria/entry-and-residence/entry-conditions-covid-19/

Also the Federal Ministry of Social Affairs, Health, Care and Consumer Protection provides useful information (in German): https://www.sozialministerium.at/Informationen-zum-Coronavirus/Coronavirus---Haeufig-gestellte-Fragen/FAQ-Einreise-nach-Oesterreich.html
