APPROXIMATE EXPENSES

The cost of living depends on the housing situation and whether students eat out or cook at home, like most Austrian students do. To be on the safe side, students should put aside **€ 800 - € 1000 a month** for rent, food and personal expenses (e.g. health insurance, mobile phone,...)

HEALTH INSURANCE

Within EU / EEA countries there is an international agreement about health insurance which assures medical assistance in all EU / EEA countries.

If the student does not have a valid **EU health insurance (EHIC)**, a **travel health insurance covering all risks** is usually sufficient for stays that do not exceed 6 months. Students staying longer than 6 months are obligated to take out the **Austrian National Health Insurance** called **ÖGK** for their whole study abroad period. Monthly costs: ca € 74

More information will be given during the Orientation Sessions.
