APPROXIMATE EXPENSES

The cost of living depends on the housing situation and whether students eat out or cook at home, like most Austrian students do. To be on the safe side, students should put aside **€800 - €1000 a month** for rent, food and personal expenses (e.g. health insurance, mobile phone,...)

HEALTH INSURANCE

It is the exchange student's obligation to ensure that she/he is adequately insured during her/his time at TU Graz. If the stay does not exceed 6 months, a **travel health insurance covering all risks** is usually sufficient. Students staying longer than 6 months are obligated to take out the **Austrian National Health Insurance** called **ÖGK** for their whole study abroad period. Monthly costs: €69.13

More information will be given upon acceptance.
