Study Abroad Fair 2017

On October 11, 2017, Graz University of Technology hosted its annual Study Abroad Fair with the aim of providing all TU Graz students with extensive information about available scholarships and exchange possibilities for student mobility and traineeships. Students from a vast variety of study programmes, motivated to broaden their educational horizon in the upcoming semesters, seized the opportunity in Inffeldgasse 25/D.

Personal advising took place at the program specific information booths, where the colleagues of the Office of International Relations and Mobility Programmes were supported by former outgoing students. In the "KNAPP AG" lecture hall, those interested could listen to presentations of all mobility options and find out first-hand what the students Philipp Schaber and Lukas Robinig experienced at Wright State University (USA) during the winter semester 2016/17. Dominik Maierhofer, another former outgoing student, presented motivating information from his stay abroad at the Universidad Tecnica Federico Santa Maria (Chile).

A highlight of this year’s Study Abroad Fair 2017 was the participation of representatives of partner universities, who visited the Graz University of Technology within the framework of the 'Staff Week and Group Study Visit' - Corinna Caspar-Terizakis (TU Darmstadt), Dita Havlova (Brno University of Technology), Silvia Georgescu ("Georghe Asachi" Technical University of Iasi) and the students Kseniya Aushova, Ekaterina Tereshko and Daria Tarasova (Peter the Great Saint Petersburg Polytechnic University).

The photos of this year’s photo contest ‘Misison International’ were displayed in the foyer of the building and visitors had the opportunity to vote for the best image via an online voting system. The winners will be announced during the International Christmas Party (December 5, 2017).

TU Graz students, who are open to new educational experiences, cultural exchange and research are invited to stop by the Office of International Relations and Mobility Programmes in Mandelstraße 15, 2nd floor, during the office hours (Mon - Fri 10.00 a.m. - 12.00 p.m. and Wed 1.00 p.m. - 3.30 p.m.).

Further important information about all mobility programmes and application deadlines can be found here: https://tu4u.tugraz.at/go/study-abroad
