

Overdue fees

We charge fees for books that are returned too late.

The fee is EUR 0,20 per book and per day.

Example: The loan period for two books expired 10 days ago.

You will now have to pay a fee of EUR 4,00.

If you have not returned the books after the loan period has expired, we will send you a reminder.

Users with an email address will receive the first two reminders by email. The third reminder will be sent by registered post.

Please return the books by the due date.
