Diversity Award

2023

Mind the Gap – Diversity Award 2023

Graz University of Technology promotes the examination of the human factor in technology and natural sciences. With the annual Diversity Awards, this is made visible. The best five submissions are selected by a jury and awarded a cash prize ranging between 750 and 1,500 euros (for teams).

What can be submitted?

- Scientific theses, publications, conference contributions
- Research projects (ongoing or completed)
- Teaching content and/or methods (planned or implemented)
- TU Graz external diversity training (attended or ongoing) for the development of know-how
- General projects to promote diversity in research and teaching

Who can submit?

Students and employees of Graz University of Technology — as individuals or in a team (of max. 4 persons)

Judging criteria?

- Degree of depth or extent of integration of diversity aspects (such as gender, age, culture, language, experience, physical abilities, etc.)
- Innovative content of the submission
- Topicality
